### Hip Hop Artist Performance

Don't miss Hip Hop performance night, Thursday February 11th, at 6:30 in the gym and commons! Want to avoid a parking headache? Maybe you can walk to Hip Hop night and record it on your Road Trip form?

Thank you for your amazing participation in the Greenwood Road Trip! We have traveled 2,300 miles and we're on our way to Houston, Texas on our physical activity road trip. 30 minutes of physical activity for any member of your family equals one road trip mile. Children should get about 60 minutes of physical activity each day. Check out the PE page of our fantastic Greenwood PTA website for more information or downloads: [www.greenwoodpta.org](http://www.greenwoodpta.org).

Greenwood Walks! I noticed that some kids don't enjoy running or playing games at recess and would prefer to just stand around and talk with their friends. Well, why not walk and talk? Last week I started a walking club (jogging and running too) on the playground for 3rd, 4th, and 5th grade students during their lunch recess, 12:40 to 1:00. When hip hop dance ends I'd like to have a parent volunteer take over the recess lap marking and help with continuing the program. Please contact me if you are available to help at that time.

Thank you, Jeanne Bastasch, Physical Education Teacher, 252-1427, [jdbastasch@seattleschools.org](mailto:jdbastasch@seattleschools.org).

### From Susan Tye Volunteer Coordinator

Now more than ever we need help with Art Auction classroom projects. If you haven't already signed up with me or Anneke Hagen, please feel free to shoot off an email or call. The job is not terribly time consuming, but is vital to the success of our auction. Each class needs 1 or 2 parents to help out when the students have art and possibly help with any last minute finish work, so anywhere from 1-4 hours from now until April 1. We would like to have all items completed by April 1 so we can breathe easier as we gear up for the actual auction date (April 10). For those of you that have stepped forward to help out, thank you and I look forward to working with you!

### Shoe Drive for Haiti

in Memory of Molly Hightower

Alaska Airlines, along with Molly Hightower's family (the young woman who was killed in Haiti while working at an orphanage), is carrying on her mission of bringing shoes to the residence of Haiti. I would love to take a bin of shoes to SeaTac Airport from Greenwood families ...SO, if you have any shoes that were headed for Goodwill or Value Village, I would like to request that you drop them at school during the next 2 weeks.

This has become quite a movement that her father is carrying on in his daughters honor, and what a wonderful way for us to be able to touch the lives of those in immediate need! Thank you in advance for your donation and kindness! Susan Tye

### POPCORN FRIDAY
